

JAVE VENIZE L. CATALAN

BS Information Technology

with Specialization in Web and Mobile Application

Objective

Passionate and driven IT student with a specialization in Web and Mobile Application from FEU Institute of Technology. Seeking a Quality Assurance position where I can apply my academic knowledge, practical skills, and eagerness to grow in a collaborative and innovative software development environment. I particularly enjoy manual testing and ensuring software meets high-quality standards.

Accomplished Projects

- EternalpEASE*: An AI-Powered Inquiry and Theme Recommender with Automated Reminder Integration for Infinity Memorial Chapels and Funeral Services Using Natural Language Processing | **Quality Assurance, Back-End Developer**
